“The Good Life Gin”

Information Sheet

Iron Vault Distillery announced its “The Good Life Gin” in June of 2018. Distilled in the New Western Gin style, Iron Vault has created a very flavorful spirit, utilizing ingredients such as Juniper Berries and Coriander Seed. But we also add a local twist with Ohio grown blue berries. The result is a refreshing, enjoyable drink.

Our Gin is based on Iron Vault Distillery’s “Just Good Vodka”, which is a wheat-based neutral spirit. It is then vapor infused with our special selection of high end botanicals and distilled to 90 proof in Galion, Ohio. It is great to mix with Tonic water for a traditional drink or just pour over ice. Its perfect to drink anyway you prefer. If you time it just right, you will see our gin turn a neon blue as the gin cools off and dilutes.
