Iron Vault Distillery announced its “Just Good Vodka” in March, 2018. It won a Silver Medal in the 2018 American Distilling Institutes Annual Tasting. It also won a Silver Medal in the 2018 Great American International Sprints Competition.

Our Vodka is a wheat-based neutral spirit. It is 80 proof and distilled in Galion, Ohio. It has a silky smooth feeling on your tongue. It is great to mix with Bloody Mary’s, Cranberry, Orange Juice and other flavors. It makes a fantastic martini as well as an excellent sipping vodka.
